

Attract, Engage & Transact

Interactive solutions for all retail touchpoints.

Elo delivers one of the widest selections of interactive solutions for retail. From POS to POI and self-service, Elo helps retailers and brands captivate their audience with commercial-grade touchscreens from 7 to 65 inch. Whether you want a wall-mount, shelf-mount, pole mount or fully-integrated kiosk, Elo has a solution to create brilliant, engaging experiences designed to fit any retail environment.

As consumer journeys evolve, so do the store concepts. Our versatile, modular solutions offer innovative ways to adapt store experiences easily to meet consumers' changing behavior. Application use and self-service options are expanded through the use of stands, mounts and accessories.

Built with versatility in mind, the Elo Edge Connect system offers a wide assortment of peripheral options. Whether for endless aisle, self-order or collaboration applications, you can seamlessly attach any combination of up to four peripherals to the edge of the touchscreen creating a bespoke solution.
