READERSHIP

Editorial Philosophy

Managed.IT*'s* magazine and website editorial content is a lively mix of news, features, technical briefings, guides, trends and high-level executive interviews, available in print, online and in an electronic magazine.

Our aim is to provide technology buyers with the information they need to purchase and implement the most effective products and services thus improving their organisation's technology management, efficiency and capabilities.

Editorial Subject Matter

Managed.IT is divided into sections, each containing news, reviews, features, case studies and comment:

- IT News: Hardware, AV Projectors, Scanners, Cloud, Managed Services and software.
- Print News: MPS, Printers and MFPs.
- Comms News: IP Telephony, Mobiles and UC.
- Workplace News: Mailroom Technology, Office Machines.

Our editorial team welcomes any news stories, case studies, comment and products for review (conditions apply).
Email **jamesg@binfo.co.uk** to contribute.

Readership

Managed.IT*'s* **magazine and website** unique readership targets over 20,000 key Technology Product & Services Buyers within the UK's top private and public sector companies and organisations.

Our focus is on senior level management with purchasing & Specifying responsibility including IT Managers, Technology Buyers, IT Directors & Other personnel with "big budgets" & essential "Cutting edge" technology requirements.

MIT **Magazine and website** is read by many of the UK's leading companies/organisations both in the public and private sectors who traditionally require the latest technology & services and have large IT document/printer/communication demands.

In addition to the mailed magazine, ***MIT*** **magazine** is also available free of charge from 200 newsstands situated within Central London and the City. These prime business locations, are typically reception/high footfall areas such as leading UK merchant banks, public organisations, blue chip businesses, serviced offices, Government offices & a number of prestige City apartments.
