

Start working from Home now with a free download of OfficeSuite

If you and your clients are now required to work from home as part of the ongoing efforts to prevent the spread of the coronavirus, then OfficeSuite can help.

We are giving away a free 3 month "OfficeSuite" personal license for individuals who now need to work from home or remotely.

OfficeSuite is a complete office productivity package, compatible with Office 365 and includes modules for working with Documents, Spreadsheets, Presentations and a PDF Editor. OfficeSuite offers a complete set of tools, necessary for working at home or in the office. It is also available cross-platform, useable across Windows, Android and iOS devices.

This 3 month free software offer is already in operation in Italy where 100's of free licenses have been issued since March 15th to help with business continuity and the smooth transition for people to work from home during this unprecedented period.
